Implementation of the pilot project for the instant payment of fines issued for traffic offences, through the GovPay application - Police Headquarters

Under the CLEAN SRI LANKA project, an online instant payment method of fines issued for traffic offences, through the GovPay application has been introduced as a project to digitize Sri Lanka Police.

The current procedure is to take the fine sheets, issued by police officers for traffic offences committed by drivers to the post offices, making the payments, and then submitting the relevant receipts of payment to the police station to get the driving license back.

However, since the driver's license is returned upon confirmation to the traffic offers, with the help of an SMS, that the payment of fine has been successfully made online through the GovPay application, there will be an opportunity to offer an efficient and hassle-free service to the public.

Accordingly, this pilot project will be implemented from 11.04.2025 to 30.04.2025, covering the roads in Kurunegala, Doratiyawa, Melsiripura, Gokarella, Galewela, Dambulla, Madatugama, Maradankadawala, Kekirawa, Thirappane, Kawarakkulama and Anuradhapura.

Through this initiative, Sri Lanka Police intends to identify the inconveniences and shortcomings encountered during this pilot project and hope to implement this project islandwide after rectifying those issues.
