“Siri Dalada Wandana - 2025” (Exposition of the Sacred Tooth Relic - 2015)
Introduction of Vehicle Management and System of Instruction

More than 10,000 police officers have been deployed for the safety of the devotees and traffic control during the “Siri Dalada Wandana” which will commence from 18.04.2025. In order to provide the necessary services for the convenience of the devotees arriving to pay obeisance to the sacred Tooth Relic, and to help them work in collaboration with the police, officers of the Information Technology Division of the Sri Lanka Police have introduced a new system.

Through this system, devotees can access information and instructions regarding the exposition of the sacred Tooth Relic by accessing the webpage named “Siri Dalada Vandana” (<https://daladadekma.police.lk>) through the official webpage of the Sri Lanka Police.

Devotees who come on a pilgrimage can get information through this system regarding the availability of parking spaces in the city and the nearest parking lot available from the end of the respective queues of devotees, and can direct their vehicles to those parking lots accordingly. Furthermore, since this system is constantly updated by the police officers who manage the parking lots, it is possible to monitor the available parking spaces in the parking lots and the live status of the queues of devotees.

This application has been developed in collaboration with officers attached the Information Technology Division of the Sri Lanka Police to minimize possible congestion by avoiding the inconveniences faced by the devotees. This application will allow the devotees to get live information on times during which rituals for the Sacred Tooth Relic are performed, instructions on the steps to be taken for the personal safety of devotees, instructions to be followed by devotees during the sacred exposition, and the times reserved for exposition of sacred Tooth Relic.

Therefore, devotees can save their time and minimize possible congestion by obtaining latest updates on the exposition of the sacred Tooth Relic through the official website of Sri Lanka Police.

To access the system:

- Log into police website, www.police.lk and click on “*Siri Dalada Vandana*” or <https://daladadekma.police.lk>
